**PROPOSED INTERVENOR’S SUPPLEMENT TO
ECF DOC. 25 (MOTION FOR PROPOSED INTERVENTION)**

NOW COMES D. GEORGE SWEIGERT, *pro se* non-attorney third-party, (U.S. Air Force veteran with one half semester of law school training) to provide an accurate and truthful supplement to ECF Doc. No. 25.

Defendant Jason Goodman has filed another Amicus in related litigation, *George Webb Sweigert v. C.N.N.*, **20-cv-12933-GAD-KGA**, known as ECF Doc. No. 55.

03/14/2022	55	MOTION seeking leave to file amended amicus curiae brief by Jason Goodman. (Attachments: # 1 Exhibit Exhibit A, # 2 Exhibit Exhibit B, # 3 Exhibit Exhibit C) (DPer) (Entered: 03/15/2022)
------------	--------------------	--

Jason Goodman published a COUNTER LAWFARE podcast simultaneous with the filing of his Amicus, ECF no. 55

Attached as EXHIBIT ONE is a record of Mr. Goodman’s COUNTER LAWFARE podcast, 3/15/2022, in which he spends an hour discussing his evidence of the criminal conspiracy between the Plaintiff (George Webb Sweigert) and the Pro Se Administrator for the Court (Richard Loury). Mr. Goodman cites Michigan penal codes and states that both the Plaintiff and the Pro Se Administrator are facing 14 years in prison for forging documents on this instant lawsuit’s docket. Mr. Goodman offers proof via the filing of his Amicus, ECF no. 55.

Also included in EXHIBIT ONE are a number of Twitter tweets from Mr. Goodman's "CrowdSource The Truth" Twitter account. The totality of tweets links the Plaintiff (George Webb Sweigert) with the short-hand Mario brother, as in Mario Brothers (to include Plaintiff and the undersigned).

Mr. Goodman's COUNTER LAWFARE video has over 3,000 views, and George Webb Sweigert response video (featuring Jason Goodman) has over 10,000 views (also depicted in EXHIBIT ONE).

CONCLUSION

The Court should immediately conduct an investigation into the matters of forged documents discussed in the Amicus, ECF no. 55. Appropriate referrals for the arrest and/or indictment of the Plaintiff or the Pro Se Administrator should commence following such an investigation.

The investigation should also include a determination as to Mr. Goodman's bad faith for using the federal courts as a prop for his social media podcast shows, joining the Southern District of New York in labeling Mr. Goodman a paranoid conspiracy theorist.

Crowdsource must also pay attorneys’ fees for the Academy, Judge Valerie Caproni of the U.S. District Court for the Southern District of New York found. Crowdsource “traffics in wild conspiracy theories,” she [previously](#) said.

Jason Goodman, the sole owner of Multimedia Systems Design, faces additional sanctions for willfully violating a protective order by disclosing confidential discovery material. For the next two years, Goodman must notify all courts and parties where he is involved in lawsuits that he violated the order here, the court said.
